

# Prospectus

[www.smartstepspreschool.com](http://www.smartstepspreschool.com)

**The MISSION** of the **Smart Steps** Preschool is to nurture the Children in our care to get them school ready, even as we inculcate values, develop in them a respect for Nature, love for the country and concern for the Community, all the while celebrating individual differences to foster lifelong learning.

**The Smart Steps Institute** is a training facility for Principals and Teachers. It also keeps them updated through periodic in-service training programs.

**Smart Parenting** is the brainchild of ABLE and aims at helping Parents optimise their efficacy.

**Smart Steps preschools are committed to; ensuring for every child**

#### **A Safe & Nurturing Preschool Environment**

that provides a robust opportunity for play and learning both Practical and Teacher guided. A library, Videos, Cds, Innovative Learning material and a Toy Library ensure the Child is profitably engaged and caringly monitored at all times.

#### **A Dynamic Curriculum**

that has been well researched and formulated by Experts based on experiences.  
The Curriculum allows for variations in ability & interest but ensures maintenance of required standards of learning.

#### **Trained Teaching Staff**

Our Teachers are specially trained to work with Preschoolers. They are dedicated and committed to helping your Child grow and develop.

#### **Accountability**

We believe that all Children can learn and be Happy doing so. To monitor their progress be it Intellectual, Emotional, Spiritual or Social, we have Assessment Tools. These Tools help us ascertain development and measure progress, in a relaxed and fun way.

#### **Professionalism & Experience**

The Teams in the Head Office and in Each Smart Steps Preschool, are dedicated, trained and experienced Professionals, available 24X7.

#### **Experts Guidance**

Experts on Technology, Assessment tools, Curriculum, Child Care and Well being are always available for Consultation. Support for streamlining the functioning each Centre is available 24X7.

## Why we support Early Childhood Education?

Research has shown that the Early Years of a Child's life are very significant for the proper growth and development of the individual. The brain develops at an astonishing rate in the Early Years. So Early Childhood education has significant payoffs in the Child and family's future life.

We have gone a step further, to ensure your child's future by nurturing Organic Learning Communities that Celebrate the Early Years of Life, in each Preschool.

We cater to Children in the Age Group of 1.5 years to 6 years.

### Programs offered

- Play group - 1.5 years to 2.5 years
- Nursery - 2.5 years to 3.5 years
- Junior KG - 3.5 years to 4.5 years
- Senior KG - 4.5 years to 6 years

## Areas addressed by our Curriculum

**Language Development** - Through storytelling, poetry, alphabets and numbers, pre writing and writing skills etc.

**Sensory Development** -We encourage art and craft work, singing, dancing, using creative learning material and puzzles.

**Cognitive Development** - Children develop concepts of color, time, shape; learn to read, write and use numbers; use their bodies to understand their capabilities and gifts.

**Physical Development** - Is fostered through active participation in singing, games, activities, field trips, visits to local areas of interest.

**Creativity** - Paper folding, Finger painting, Craft, Music, Cultural functions, Art from waste, Role play and acting, Fancy dress, Innovative games are some activities we encourage to promote creativity.

**Parental involvement and family participation** - Weekly Home assignments are a regular feature. The involvement of Parents and Family members is necessary. Besides there are monthly Parent Teacher meetings to discuss new developments in education, progress of the child in school, Parents' concerns etc.

**Awareness of nature** - Field trips, Nature study, Cleanliness and hygiene are an important part of the curriculum.

**Social skills** - Daily assembly, Welcome time shared meal time, celebration of festivals, Expression time when Children and Teacher talk and so on.
